## Who can use it?

### Who is the service for?

The service is available to older people and disabled people who do not have access to their own transport and for whom the journey would not be possible using public transport.

A wheelchair accessible vehicle is also available.

The car scheme gives priority to requests for transport to GP, dentist and clinic appointments in Fareham and hospital appointments in Portsmouth and Southampton.

## Areas

### Which area does it cover?

The Car Scheme provides transport services for residents in Fareham town and Titchfield.

Residents outside of this area should contact their local Voluntary Car Scheme:

## Cost

### How much will it cost?

All the drivers are volunteers using their own cars.

We ask Car Scheme users to make a contribution to cover the charity's costs. This includes the driver's petrol costs, wear and tear to their vehicles and other expenses incurred such as parking fees.

You will be advised of the suggested donation for your journey when you make your booking.

Your driver will provide you with an envelope for your donation.

All Fareham Voluntary Car Scheme Drivers are criminal records checked and carry identity cards.
